THIS ROSTER of Membership of the Department of Colorado and Wyoming, G. A. R., has been compiled by and printed under the direction of the Officers of the Department, and is submitted with the belief that it contains more accurate and extensive information than any like publication of its character heretofore issued. Comrades discovering any errors in their designation, should report the same to the Adjutant of their Post, and should also endeavor to supply omissions, as letter of company, rank, &c., in order to make subsequent editions historically correct.

In addition to the membership of post, is given, by the following references, the facts concerning transfer, dropped, suspended, discharged, or dead. When transfer is indicated the name may be readily found by referring to other posts, if Comrades have deposited transfer cards.

Copies of this Roster are 40 cents each, and may be purchased of your Post, or by addressing either of the following officers:
